Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Compensation of Officers

The Compensation Committee of our Board of Directors (the "Committee") recently completed its annual review of the elements and amount of total compensation of our executive officers. In connection with its review, we retained Meridian Compensation Partners, LLC ("Meridian") to serve as a compensation consultant to the Committee. On December 4, 2014, after receiving and considering a report from Meridian which included compensation benchmark data, the Committee approved the following changes to the compensation of our executive officers:

- (i) *Base Salary:*

The annual base salaries of our officers were increased effective as of May 29, 2014 (the date of our initial public offering) to the amounts indicated in the table below. A lump sum payment was made to each officer with respect to the period between the effective date of their base salary increase and December 4, 2014.

<u>Name of Officer and Title</u>	<u>Old Base Salary</u>	<u>New Base Salary</u>
Terry Lingren		

<i>Chief Executive Officer</i> Robert Hammond	\$	200,000	\$	300,000
<i>Chief Technology Officer</i> Neal Fenzi	\$	200,000	\$	250,000
<i>Chief Operating Officer</i> John Philpott	\$	175,000	\$	250,000
<i>Chief Financial Officer (1)</i>	\$	225,000	\$	225,000

(1) Mr. Philpott's salary is effective as of June 2, 2014, his start date.

(ii) *Equity Performance Bonus*

The Committee approved an equity bonus to be paid to our officers listed in the above table in the event that performance goals based on revenue and certain other non-monetary targets are attained in our 2015 fiscal year. In the event the goals are at least partially attained, each officer will receive an equity bonus equal to such officer's applicable new base salary multiplied by a certain percentage, which percentage is based upon the number of goals achieved. The dollar value of each officer's award will then be divided by the average closing price of our common stock for the ten trading days ending on the last trading day of 2015 to determine the number of equity units to be issued to such officer. The equity bonus will consist of shares of our common stock and restricted stock units to be granted pursuant to our Amended and Restated 2014 Omnibus Incentive Plan (the "Plan"), with 50% of the award being issued in shares of common stock and the remaining 50% being issued in the form of restricted stock units. All issued restricted stock units will be subject to vesting, and will vest on January 1, 2017 subject to the terms of the Plan.

2

(iii) *Long Term Incentive Awards*

The Committee also awarded each officer listed in the above table, as a long term incentive, a number of restricted stock units equal to such officer's applicable new base salary divided by the average closing price of our common stock for the ten trading days ending on December 4, 2014 (the "Long Term Restricted Stock Units"). The Long Term Restricted Stock Units were issued pursuant to the Plan and will vest annually over four years in accordance with the Plan, with 25% vesting on the first business day of each of 2016, 2017, 2018 and 2019.

Item 7.01. Regulation FD Disclosure.

Promotion of Neal Fenzi to the Position of Chief Operating Officer

On December 4, 2014, we promoted Neal Fenzi to the position of Chief Operating Officer. Prior to his promotion, Mr. Fenzi served as an executive officer of the company in the capacity of Vice President of Engineering. On December 10, 2014, we issued a press release announcing Mr. Fenzi's promotion.

The news release issued on December 10, 2014 is furnished as Exhibit 99.1 to this Current Report on Form 8-K and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to liability of that Section unless we specifically incorporate it by reference in a document filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

Item 9.01 Financial Statements and Exhibits.

99.1	Press Release issued by Resonant Inc. dated December 10, 2014.

Resonant Promotes Neal Fenzi to Chief Operating Officer

SANTA BARBARA, Calif. —December 10, 2014 — Resonant Inc. (NASDAQ: RESN), a late-stage development company that is creating innovative filter designs for radio frequency, or RF, front-ends for the mobile device industry, today announced it has promoted Neal Fenzi, 54, to Chief Operating Officer. Previously, Mr. Fenzi, who is one of the Company's co-founders, served as Resonant's Vice President of Engineering since June 2013.

Chief Executive Officer, Co-Founder and Chairman Terry Lingren, stated, "This appointment recognizes the role Neal already plays as head of research and product development for the Company. Neal has been instrumental in our product development endeavors and has been a critical member of Resonant's leadership team since our formation in July 2012."

Previously, Mr. Fenzi was Vice President of Engineering. He also served as Secretary and Treasurer from June 2013 until January 2014. Prior to co-founding Resonant, Mr. Fenzi served in key engineering, operations and marketing positions at Superconductor Technologies Inc., including serving as Vice President of Engineering, Chief Engineer and Vice President of Product Management. Mr. Fenzi holds a Bachelor of Science degree in Electrical Engineering from New Mexico State University.
