Item 5.07 Submission of Matters to a Vote of Security Holders.

On October 15, 2015, Resonant Inc. held a special meeting of stockholders in Goleta, California. At the special meeting, there were 7,171,030 shares entitled to vote, and 3,737,063 shares (52%) were represented at the meeting in person or by proxy.

At the special meeting, our stockholders voted on a proposal (the “*Proposal*”) to approve an amendment of our amended and restated certificate of incorporation (our “*Certificate*”) to provide that special meetings of stockholders of Resonant shall be called by our secretary upon the written request of one or more stockholders holding shares in the aggregate entitled to cast not less than 20% of the votes at the special meeting. For approval, the Proposal required the affirmative vote at the special meeting of at least 66 2/3% of our outstanding shares as of the record date for the meeting.

At the special meeting, 3,654,984 shares voted in favor of the Proposal, representing approximately 51% of our outstanding shares. Consequently, the proposed amendment of our Certificate did not receive the requisite votes for its approval and will not be implemented. Additionally, the proposed amendments to our amended and restated bylaws described in the proxy statement for the special meeting, which proposed bylaw amendments were conditional upon stockholder approval of the amendment of our Certificate, will not be implemented.

The following summarizes vote results for the Proposal at the special meeting:
